Installation Instructions

<p>1</p> 	<p>2</p> 	<p>3</p> 
<p>Apply teflon tape to the shower arm and thread into the nipple.</p>	<p>Apply teflon tape to the end of the shower arm and thread on the shower head.</p>	<p>Shower head installation complete.</p>

Cleaning Instructions

- Only use a soft, dampened sponge or cloth to clean and polish the fixture.
- Wipe fixtures and the immediate areas clean and rinse completely with water immediately after installation and after applying any cleaner.
- If you are using a cleaning compound on or close to the product, please test the compound on a hidden area of the trim to ensure it will not damage the finish.
- Do not allow cleaners to soak anywhere on the product.

Applicable Standards/Codes
